

Middle School Stationery List

- Most curriculum materials in the MYP are provided, except personal stationary supplies. Students should purchase the listed items, and bring the necessary materials to class every day. Materials can be kept at home or at school in a locker.
- Exercise books, workbooks and folders may be continued from the previous year.
- All items should be named clearly.
- Binders are not necessary for all classes but smaller files may be shared between subjects to organize papers when needed.
- The middle school is largely digital. All MYP students will need to bring a laptop or tablet to school daily (PC or Mac). Please see below for technical specifications and computer use.

	MY1	MY2	MY3	MY4
Mathematics & Science	A4 exercise book with graphing squares Scientific calculator (Casio or Texas Instruments) Math set (protractor/compass/ruler)		A4 exercise book with graphing squares Graphing calculator – necessary TI nspire CX II is recommended as it is used in DP maths (Texas Instruments – this cannot say CAS) Available from Norli or online For more information see: The Diploma Programme Calculator List (2023)	
Visual Arts	A4 sketchbook		A3 sketchbook	
	These should be good quality, bound books, not just a block of paper. The Art Department will have some available for purchase at the start of the year if students need a new one. The price for these ranges from 75-180 NOK.			
Performing Arts	A4 hardback notebook, lined (spiral or glue bound)			
Physical and health education	Although Skagerak, Tønsberg requires no uniform for PHE classes, a change of clothes for physical education class is expected. Proper shoes, shorts and shirts are required to participate. Appropriate clothing for outdoor education should also be used to be outdoors in varied weather conditions.			
General	In their pencil case, it would be best for students to come prepared daily with a pencils, pens (Black, Blue, Red for eks.), markers or coloured pencils, eraser, pencil sharpener, glue stick, highlighter, scissors, folder(s) to hold loose paper; A4 size lined notebooks for use in their classes may be requested but this will be specified by the subject teacher. An MYP Student planner - Provided by the school; replacement copies (100 NOK).			
Digital Requirements	All Skagerak, Tønsberg students in MY1 - MY4 are required to bring a laptop and headphones to school each day. Additionally, all students, upon completion of the responsible use agreement, will have free access to licenses for Microsoft Office and Adobe Creative Cloud programs. Laptops should meet or exceed the minimum specifications. Digital device specifications: <ul style="list-style-type: none"> • Platform - Windows PC or Mac • Operating System - Windows 10 preferred; Mac OSX or higher • Screen size - 11 inches or higher • Processor - Intel i3 or faster • RAM - 8 GB or higher • Hardware - 256 GB or higher • Wireless - 802.11n or higher *students who decide to purchase tablets in the lower grades should ensure they have an external keyboard that can accompany it each day.
